

Year 3 Homework Project

The Anglo-Saxons

This upcoming half term we will be studying the Anglo-Saxons. This project involves you researching a topic and presenting it as a fact sheet.

You need to complete this over Easter.

Due date: First Monday after Easter

1. Choose **one** of these topics to research:

- Anglo-Saxon life
- Anglo-Saxon archaeological sites
- King Alfred
- Anglo-Saxon warriors
- Anything else about Anglo-Saxons you like!

2. You can visit the library and choose books that will give you some information on your topic or search the Internet.

3. Create a one page fact sheet that has pictures and facts written in sections. You can use a word processor, or handwrite it and stick or draw pictures on. Your work should be on A3 paper (no bigger than A3 and not on more than one page, if you don't have A3 you can use A4 paper.)

OR

Create some pages on Fronter. You should have your Fronter log-in on a little plastic card. (Parents, the children have had some time on this, but if they play around on it they will find out how to do different things on there)

5. As always, think carefully about your presentation. How should you set out your facts? Where would your pictures look best? Would a border make it look neat? Remember to include **subheadings**, a **title** and **colour** to make your fact sheet eye-catching.

6. You will be presenting your work to the rest of the class after half-term.

Be creative and try your best!!!
