

Date T: use an archaeology simulation to find out about the Vikings

- 1) What did you guess the first item was? Why did you guess that?
- 2) Which countries did the Vikings come from?
- 3) Why did the Vikings carve the figureheads of their ships into dragons?
- 4) What year is the reconstruction supposed to be from?
- 5) Did you guess the next artefact was a book, a shopping list or a map of the country? Why did you guess that?
- 6) What was the Viking part of the country called?
- 7) Which group of people did the Vikings eventually settle down to live in peace with?
- 8) Did you guess the next artefact was a gold cross, a candlestick or a flagpole? Why did you guess that?
- 9) Give two reasons that the Vikings attacked monks in monasteries.
- 10) What did Vikings probably not have coming out of their helmets?
- 11) Did you guess the artefact was a saw, a toothpick or a comb? Why did you guess that?
- 12) What material did the Vikings use to carve (make) jewellery?
- 13) Did you guess the artefact was a cheese grater, a shoe buckle or a brooch? Why did you guess that?
- 14) Why are the clothes that the Vikings wore not found in archaeological digs?
- 15) Did you guess the artefact was for horse riding, a fork or a crown? Why did you guess that?
- 16) What **two** things did the Vikings use horses for?
