T: use the tube map

- 1) What colour is the Jubilee line on the map?
- 2) Name one tube stop on the Jubilee line.
- 3) What colour is the central line?
- 4) Name one tube stop on the Central line.
- 5) How many stops to get from Brent Cross to Edgware?
- 6) Which tube station is furthest south on the tube map?
- 7) Which tube station is furthest north on the Piccadilly line?
- 8) What tube zone is Burnt Oak in?
- 9) The grid reference for Southwark is E5. What is the grid reference for New Cross?
- 10) Which 2 lines can you get from London Bridge?
- 11) On which line does every station have access for people in wheelchairs?
- 12) What facilities are there at South Woodford? (Look at the page below the tube map).
- 13) Michael works near Holborn. He moved from near Bow Church station to be near Bank station. Why do you think he did this?
- 14) Sarah works near Victoria. She moved from near Pimlico, so that she was living close to Ruislip Gardens. Why might she have done this?
- 15) Would you rather live near to Baker Street or Lewisham? Why?
- 16) Why might Kings Cross be such a popular station?
- 17) How could I contact Transport for London (TFL) if I had any questions about the tube?
- 18) Which line do you think was built most recently? Why?

Answers

- 1) Grey / silver
- 2) Any on Jubilee line
- 3) Red
- 4) Any on Central line
- 5) 4 stops
- 6) Morden
- 7) Cockfosters
- 8) Zone 4
- 9) E7
- 10) Jubilee and Northern
- 11) DLR
- 12) Parking for cars, bikes and toilets for men and women
- 13) Bank is fewer stops from Holborn than Bow Church
- 14) She wants to live somewhere 'greener' or quieter / to be near family or friends / because it is cheaper to live there
- 15) Baker Street because it is easier to get to other places / Lewisham because Baker Street would be too crowded
- 16) Because lots of lines go through it so you can change
- 17) Go the website at tfl.gov.uk or phone them on 020 7222 1234
- 18) The DLR because it has access for disabled people at all the stations
