

Date **T: know that an event can be interpreted in different ways**

You are going to pretend to be 2 different people who hear about Augustine's arrival in AD597: an Anglo Saxon Pagan and a Christian.

You need to write 2 recounts:

1. From the point of view of the Christian
2. From the point of view of the Anglo-Saxon Pagan

You need to include:

- How you feel: pleased or annoyed and why?
- What you **hope** will happen and why?
- What you think will **actually** happen and why?
- How you think it might affect your life?
- What do you like about your religion / dislike about the other religion?
- Why is your religion better than the other one?
- What would you say to Augustine if you met him?
