

Date **T: use full stops, question marks and exclamation marks**

At the end of each sentence you need to put a full stop (.), a question mark (?) or an exclamation mark (!).

- 1) Rocks can be igneous, sedimentary or metamorphic _____
- 2) Why are different rocks used for different things _____
- 3) Marble is almost impossible to scratch _____

- 4) Which is better for statues: marble or chalk _____
- 5) Incredibly in one glass of sand there can be millions of particles (little pieces) _____
- 6) Sedimentary rock is made from lots of small particles and piece of rock squashed together _____

- 7) Pumice is a rock that actually floats in water _____
- 8) What are bricks made from _____
- 9) Metamorphic rocks are made by heat and pressure _____

Now make up your own sets of three sentences: one ending in a full stop, one ending in an exclamation mark and one ending in a question mark.

They can be about emails, Romans or rocks like mine.

Date **T: use full stops, question marks and exclamation marks**

At the end of each sentence you need to put a full stop (.), a question mark (?) or an exclamation mark (!).
